NASA officials to discuss human space flight program

Three senior NASA officials will host a briefing on the Agency's human space flight program at 10 a.m. CDT Tuesday. NASA Deputy Administrator Fred Gregory, Associate Administrator for Space Flight Bill Readdy and Associate Administrator for Safety and Mission Assurance Bryan O'Connor will speak for about one hour. The event will be broadcast live on NASA TV from the Kennedy Space Center.

IFMP Full Cost director visiting Marshall Wednesday

Owen Barwell, director of NASA's Full Cost initiative, will visit the Marshall Center Wednesday. He will update senior management and resources personnel on the current status of the Integrated Financial Management Program's Full Cost initiative. He also will discuss plans and guidance for implementing Full Cost in fiscal year 2004.
